ASPEN 2019 Nutrition Science & Practice Conference

Phoenix Convention Center, AZ — Join us for ASPEN19, the premier forum for clinical nutrition research and education. The annual conference brings together physicians, nurses, researchers, dietitians, pharmacists and other experts who recognize the impact nutrition science has on patient outcomes. In addition to spotlighting advancements and best practices, ASPEN19 will include a focus on the value of nutrition and future direction for the field.

The keynote speaker is Sanjeev Arora, MD, MACP, FACG, Director and Founder of Project ECHO®, a program that links expert specialist teams to academic hubs with primary care clinicians in local communities. Dr. Arora will explain how Project ECHO is dramatically improving both capacity and access to specialty care for rural and urban underserved populations.
