Practical Gastroenterology is a professional clinical journal focusing on the diagnosis and management of digestive diseases. Each issue consists of articles on topics that physicians encounter in daily practice. Authors are selected for their expert knowledge of their topics and their participation does not imply endorsement of products advertised. Authors’ opinions expressed in their articles are not necessarily those of Practical Gastroenterology, its publisher, Editorial Board, or its advertisers. Practical Gastroenterology, its publisher, editors, Editorial Board, and its advertisers assume no liability or responsibility for any claims, actions or damages resulting from the publication of any article.

AUTHOR INFORMATION: A “Guideline for Authors” is available without charge. For a free copy, e-mail: practicalgastro@aol.com
